

THE WORLD OF FOOTBALL

Carlisle Has Chance to Celebrate

VICTORY OVER HARVARD

Amherst Holds Princeton Well—Yale Is Strong Against Brown, Dartmouth Against Holy Cross and Williams Against Wesleyan.

Carlisle's victory at Cambridge, the first ever, and Yale's strong showing against Brown were the features of the day in the realm of foot ball Saturday. Princeton's weak showing against Amherst, scoring but one touchdown and two field goals, the defeat of the navy by Swarthmore and the rattling game put up by the army against Cornell also added to the things starting. Pennsylvania had little trouble in polishing off Pennsylvania state, while Dartmouth had a big cinch with Holy Cross. Williams, as expected, had things its own way with Wesleyan, but in the last few minutes of play the latter came with a rushing that must have worried the visiting rooters some.

The Indians outplayed Harvard, but were serious, making two costly fumbles. The Carlisle game is generally a big show for Boston people, and it was bigger than ever Saturday. The Indians have held Harvard well in past years, but the fact that they had never won made many think they never could. Yale exhibited straight foot ball against Brown, but it was the crashing kind that should boost its stock some for the Princeton game. West Point, unscathed on till Saturday, put up a game battle with Cornell, but the latter had more

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases having their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Piquette, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Piquette, N. Y., on every bottle.

Burlington Boys Show Surprising Speed in the Game.

Burlington, Nov. 11.—Vermont swept New Hampshire state college off its feet at Centennial field Saturday afternoon, winning 34 to 0. Vermont's goal was never in danger. Great versatility was shown by the Green Mountain boys, who ran off-end runs, risky forward passes and fake punts with remarkable success. The game featured sensational plays, 60 and 90-yard runs being made by Capt. Watkins. A 55-yard dash on a fake punt was made by White, and Gebhardt got 45 yards on a forward pass, all resulting in touchdowns.

DARTMOUTH'S RUNAWAY.

New Hampshire Collegians Big Total Against Worcester Rivals.

Hanover, N. H., Nov. 11.—Dartmouth won from Holy Cross yesterday, 22 to 0. In the first half Dartmouth played her regular team, except that De Angelis went in at left end in place of Kennedy, who is on the sick list, but in the second half it was a team of substitutes that lined up against the visitors. Only once in the entire game did Holy Cross make a first down.

Dartmouth made the first touchdown in four minutes of play, and four more times in the first half, the local players crossed the Holy Cross lines for touchdowns. Dartmouth used open plays largely, and Stuart, Glaze and Saxton all made runs of more than forty yards. The lines plays of the locals also were successful.

In the second half Dartmouth's substitutes were penalized frequently for off-side plays and holding, but made four touchdowns. The Holy Cross team was much lighter than Dartmouth, but played a plucky game.

Lasters So Vote in Spite of Hickey.

Brookton, Nov. 11.—At the meeting of the W. L. Douglas Shoe Co., striking lasters as a shop's crew Saturday, it was voted to call off the strike started some six weeks ago. The vote was 43 to 39.

Agent T. B. Hickey of the Independent Lasters' Union, who was not allowed in the meeting because he was not a member of the shop's crew, states that the vote was not authorized, and that the union has not called the strike off and is not necessarily bound by the vote of the strikers.

FEDERAL JURY MAY INDICT

Officials in Five N. Y. Institutions Under Investigation.

INDICTMENTS MAY FOLLOW

Examiners Are Investigating the Loans Made by Several Institutions Formerly in the Morris-Henrichs Thomas Chain.

New York, Nov. 11.—An expert examination of five national banks, which has been in progress since the beginning of the panic, will be finished today. Upon the report of the examiners will depend whether or not United States District Attorney Stimson will go before the grand jury.

The question resolves itself into the extent, if any, to which the officers and directors of the banks in question have overstepped the restrictions placed by the United States banking laws and the capital stock and surplus of national banks.

If the officers of a bank borrow more than 10 per cent of the combined capital and unimpaired surplus of their bank on their own paper, they make themselves liable to punishment.

Officers and directors of the Mercantile National bank, the National bank of North America, the Consolidated National bank, the New Amsterdam National bank and the Garfield National bank have borrowed money from these institutions, it is said.

The investigation which has been conducted by National Bank Examiners George T. Cutts and C. A. Hanna and a corps of experts, into the affairs of these institutions has been directed toward ascertaining what percentage the loans have to the capital stock and unimpaired surplus of the banks in question.

Among the officers and directors of the banks mentioned were—previous to the shakeup ordered by the clearing house committee—F. Augustus Heinze, E. R. Thomas, Charles W. Morse and Orlando F. Thomas. The interests of these gentlemen were interwoven in the various banks.

PLOT ON LIFE OF THE CZAR.

Supposed Explanation of Attempt to Disable a Semaphore Signal.

St. Petersburg, Nov. 11.—What is believed to have been a carefully conceived plot to take the life of Emperor Nicholas while he was on the way from Petrohof to his winter palace at Tsarskoe-Selo was frustrated Saturday by the vigilance of the railway guards. Early Saturday morning a guard discovered six men trying to cut the wire of a semaphore signal at Ligovsk station, at the junction of the railroads to Petrohof and Tsarskoe-Selo. The guard attempted to arrest the men, but was fired on and wounded. The shots, however, aroused the officers and guards at the station, and several volleys were exchanged between the outlaws and the soldiers, the former escaping without injury.

The police profess to be unable to understand the attempt to cut the semaphore, as such an act could hardly work any harm to the imperial train, which was due to pass few hours later. It is generally believed, however, that the outlaws intended to prevent the use of the signal, with the object of bringing the train to a stop at that point. No arrests have been made.

CIGAR STORE BELLE AN EDITOR'S BRIDE

One of Boston's Noted Goodwin Sisters Elopes to Wed H. P. Bale of Van Norden's.

Boston, Nov. 11.—News of a charming romance in which Harriet V. Goodwin, one of the Goodwin sisters, who are in the cigar business at No. 77 Court street, figures, got out yesterday, and created much interest, for the handsome young woman has long been admired as the belle of Seelye square. Since Oct. 23 she has been Mrs. Harold P. Bale, the bride of one of the assistant editors of the Van Norden Magazine, published in New York.

Mr. Bale is well known in Boston, where he was formerly a reporter, and there probably is no young woman in Boston known to so many people and admired by so many as his bride.

Two weeks ago yesterday she took the afternoon express (or New York, telling her mother, Mrs. Sarah Goodwin, of No. 25 Thorndike street, Brookline, and her sister, Mrs. E. George Winslow, that she was going to New York to spend Sunday with friends.

Knowing of Harriet's friendship for Bale, the young girl's mother and sister entertained lively suspicions as to the cause of her hurried visit to New York. When she returned home the following Tuesday, they had many questions to ask. The young woman dissembled for a time, but finally when it was discovered that she was solemnly guarding a new plain gold band ring, she confessed.

It is said that Mr. Bale and Miss Goodwin went to the "Little Church Around the Corner" to be married, and that the ceremony would have been performed there, but in making out the papers they were asked to subscribe to the articles of faith of the Episcopal church. Both held different religious views, so they went to the office of a magistrate, who performed the ceremony.

Mr. Bale and her husband are both literary in their tastes, and their common interest in the study of philosophy and the sciences has long brought them together two years ago.

ALASKAN PEAK DISAPPEARS.

Remarkable Transformation as the Result of Volcanic Disturbance.

Washington, D. C., Nov. 11.—The remarkable transformation that has occurred in the topography of Bogoslof island, Alaska, as the result of volcanic disturbance is told in a report received from the treasury department Saturday from Lieutenant R. H. Camden, commanding the revenue cutter McCulloch. Regarding the subsidence of McCulloch peak, reported in Friday night's dispatches, the report says that the peak had entirely disappeared and that astonishing changes occurred in the profiles of the neighboring peaks, whose outlines had been softened to a general symmetry by a piling of lava dust that almost disguised them beyond recognition, while the sand spit connecting the peaks had attained a height varying from 20 to 100 feet. Incalculable tons of material, hundreds of feet in depth, had been deposited over the entire island. Fire island and Perry peak now towered in the air with a gentle incline rising from the beach, several hundred yards distant, to their summits.

Lieutenant Camden says McCulloch peak blew up within a few hours before the fall of lava dust at Unalaska September last, about whose origin there has been much discussion. He adds that there is little doubt that the deposit of lava dust which has covered McCulloch and surrounding mountains belated from Bogoslof island when the McCulloch peak explosion occurred.

SECRETARY TAFT LEAVES MANILA.

Remarkable Demonstrations by the Filipinos.

Manila, Nov. 11.—The departure of Secretary of War Taft from Manila on the cruiser Rainbow for Vladivostok on Saturday was attended by a remarkable demonstration on the part of the Filipinos. The horses were withdrawn from the carriage in which were seated Mr. Taft and his wife, and they were escorted by Manila schoolboys from the Luneta to the dock through cheering crowds of citizens. Mr. Taft started from the residence of Governor-General Smith at 8 a. m. He reviewed the long military, civic and school parade on the Luneta at 9 o'clock, making a brief address in which he thanked the people for their reception, praised the course of the Assembly, and expressed his confidence in the future of the island. Mr. Taft and party sailed at 11:30. They expect to arrive at Vladivostok the 18th and to leave there on their trans-Siberian journey on the 19th.

NO POLITICS, SAYS BRYAN.

Folk's Visit Declared to Be Purely a Social One.

Lincoln, Neb., Nov. 11.—W. J. Bryan said Saturday night: "There was nothing whatever in the visit of Gov. Folk to me that was political. It was purely a social one. Gov. Folk came in response to a longstanding invitation, and the visit was a social one."

Gossip among Lincoln politicians had framed a ticket for next year reading "Bryan and Folk." Another theory libeled to the candidacy of Gov. Folk for United States senator by displacing Senator W. J. Stone. Mr. Bryan would not discuss either theory.

Gov. Folk left Saturday night for Misouiri. Mr. Bryan will leave for the east today and will be in New York November 22 or 23.

ANNA GOULD A BRIDE.

Wedded Prince Helie de Sagan Week Ago at London.

London, Nov. 11.—There is a report current here that Mrs. Anna Gould, who recently was divorced from Count Roli de Castellane was married to Prince Helie de Sagan in London five or six days ago.

There is no confirmation of the report, but it is said that Mrs. Gould and the prince came here from Paris to arrange for their wedding and that their marriage followed, great secrecy being observed.

A despatch from Paris received here says that Mrs. Gould is not at the Chateau d'Arax.

EXPRESS TRAIN WRECKED.

Collides with a Freight Train—Understanding of Orders.

Worcester, Mass., Nov. 11.—The Southwestern express on the Boston & Albany railway was wrecked in a collision with a freight train near West Brookfield on Saturday, while running at a speed of fifty miles an hour. The train was more than an hour behind time.

The collision was the result of a misunderstanding of orders.

Charles Hyde of Boston, an express train brakeman, was killed, and E. Patrick, conductor, of Boston, was probably fatally injured. Among the more seriously injured are: T. H. Smith, brakeman, leg broken; A. A. Harris, cook, Boston, right hand crushed and head injured; John Connor, fireman on the freight, skull crushed, condition serious. The freight train was standing on the eastbound track when the express plunged into it. The engineers and firemen jumped, escaping serious injury.
